

BUILDING ON A TRADITION OF SUCCESS

www.mmrgroup.com

For over 50 years, MMR has served as the industry leader in electrical, instrumentation and technical services. This has been accomplished by combining the use of cutting-edge technology with our unwavering commitment to quality, service and client satisfaction.

Our list of services is robust, and we are always ready to accept new challenges. In fact, emerging technology, one-of-a-kind projects and first-ever projects are among the specialties we pride ourselves in tackling head on.

With a strong reputation for bringing projects to completion on time and within budget, we're building daily on our roster of winning projects and repeat clients. We invite you to experience the MMR tradition.
